

Snails Worksheet: Grades K - 2

Complete this worksheet after watching the video. If you cannot print it out, no worries, you can make your own sheet!

Label the parts of the snail in the picture below using the word bank.

Shell	Foot	Eye Stalks	Tentacles
-------	------	------------	-----------

Randall's Island Park Alliance

Circle or point to all the places where you think snails can live.

Ocean

River

Volcano

Wetland

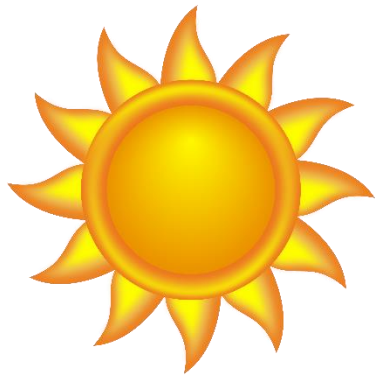

Park

Icebergs

Follow us - @RandallsIsland -   

Circle or point to all the things that a shell protects snails from.

Sun

Snow

Bird

Wind

Rain

Organic means anything that is or was alive. Sort the words in the word bank into organic (living) and inorganic (nonliving).

sun	snail	leaf	water	flower
mushroom	rock	tomato	air	

Organic (Living)

Inorganic (Nonliving)
