

DIY Craft: Photo/Art Frame

Make a simple DIY frame out of art materials at home!

Materials Needed:

- Craft Sticks
- Paper
- Drawing Utensils
- Scissors
- Hole Punch
- Glue
- Ribbon or String
- Stamps & Stickers *(if desired)*

Instructions:

1. Arrange your 4 craft sticks on your paper in a square and glue them down.
2. Once the glue has dried, cut the paper around the craft sticks.
3. Decorate your paper background and the craft sticks however you like.
4. Hole punch the top two corners.
5. Cut a ribbon and tie it through the corners so your frame will hang, tying the knots in back.
6. If you desire, take a photo with a polaroid camera and then glue your picture to the background! Or, write a special message, add a sticker- whatever you like!
7. Post your creation on social media and tag us to show off your creation! 😊
