

DIY Craft: Fashion Your Own Fan!

Use scenes in nature as inspiration for making a fun fan with craft materials at home!

Project inspired by: [The Playful Parent](#)

Materials Needed:

- Craft sticks
- Paper plate
- Glue
- Crayons
- Water colors

Instructions:

1. Fold a paper plate in half, and then cut straight across the line.
2. Glue two craft sticks together in a wide "V". Hold in place until secure.
3. Use crayons and then watercolors to make your fan design, using nature as your inspiration.
4. Glue the popsicle sticks to the back of your fan, and let them dry. Then you're ready to go!
5. Enjoy your artwork! 😊
6. Tag us and share your artwork on social media!
