

As a result of the COVID-19 public health crisis, the Alliance has put into place a number of measures to ensure the safety and health of its staff, the public and individuals seeking to participate in programs hosted by the Alliance, as well as to help control the spread of COVID-19. By agreeing to participate in a public program hosted by the Alliance, I make the following representations and additionally agree to follow the suggested guidance of the Center of Disease Control (CDC) and local public health authority and the Alliance's policies and procedures to reduce the spread of Novel Coronavirus, or COVID-19 as follows:

I am not experiencing symptoms of illness associated with COVID-19 (i.e. shortness of breath, fever, cough, etc.) and have not experienced those symptoms in the 14 days preceding my visit to the Urban Farm.

I agree to inform the Alliance if I have been diagnosed with COVID-19 after visiting the Urban Farm.

If I begin to experience any symptoms of COVID-19 while participating in the field trip I will inform the Alliance and immediately end my participation.

I agree to practice safe hand and respiratory hygiene and otherwise to adhere to all of the Alliance's safety rules during my participation in all activities. Upon arrival I will sanitize my hands by using a hand sanitizer or equivalent provided by the Alliance or wash my hands with soap and water for a minimum of 20 seconds after using the restroom, sneezing, and coughing, and before eating.

I agree to wear surgical face masks or improvised masks such as scarves, bandanas, and handkerchiefs at all times while I am participating in the program to reduce the risk of exposure to myself and others. I agree to adhere to the Alliance's social distancing policy, maintaining 6-feet from others at all times. This will be required for all visitor to visitor contact as well to limit exposure.
